<u>C</u>	Important to street/groups	<u>good fair</u> poor bad
D	Insignificant/detrimental	good fair poor bad

Notable features:

Number 1202 is a very pretty 1840's building, now a church.
This is a good street façade, despite the formstone on 122.
Pleasant little houses, well tended.

Environmental context:

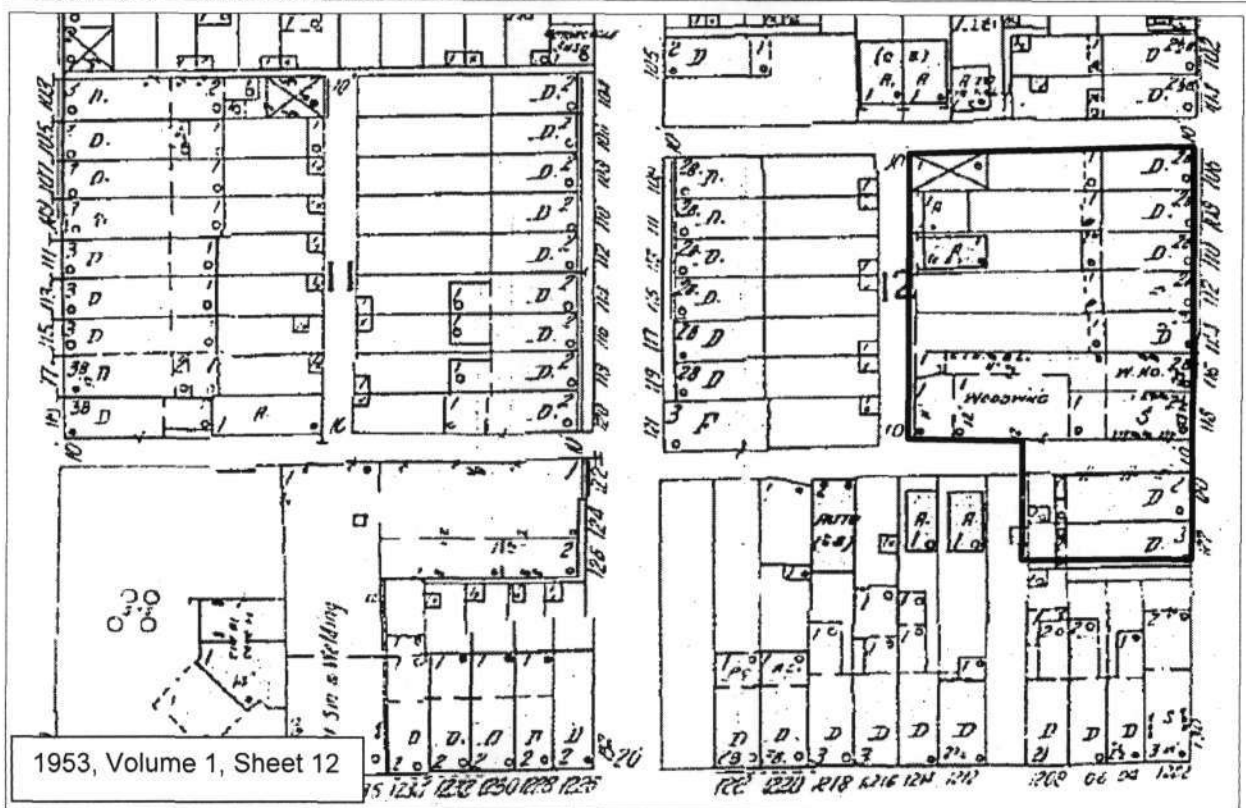

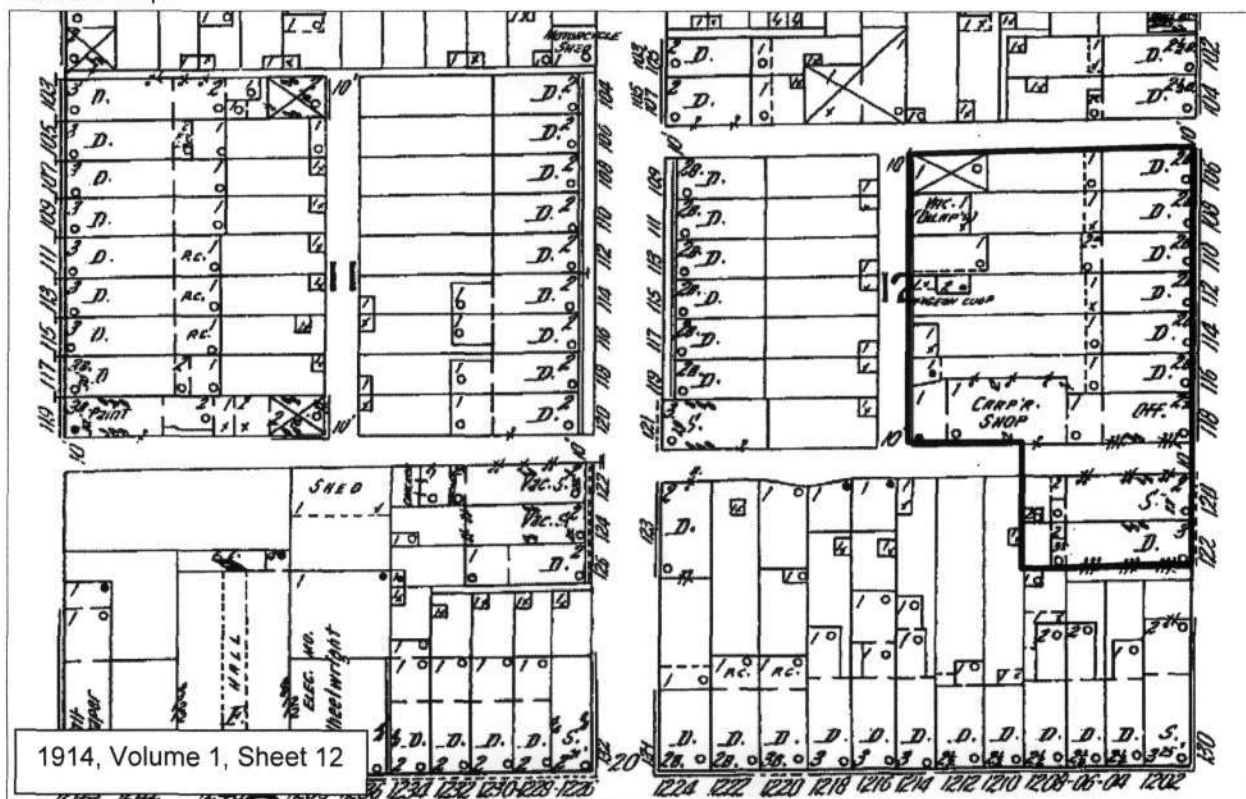

One-way street. Clean and house-proud neighborhood; needs more street trees. Street dead-ends at Pratt, into B. & O. shops.
